

October 23, 2007

Ms. Beth O'Donnell  
Executive Director  
Kentucky Public Service Commission  
211 Sower Boulevard  
P.O. Box 615  
Frankfort, KY 40602-0615

Dear Ms. O'Donnell,

Clark Energy is submitting requested documentation per Commission Staff's First Data Request relating to Case No. 2007-00181. All data and supporting documentation is being filed using the procedures and guidelines of the Commission's electronic filing initiative. All data and supporting materials filed electronically in connection with Case No. 2007-00181 are a true, accurate and complete representation of the original documents.

**Commission Staff Requested Data**

1. Provide two copies of the voltage drop studies for both existing and proposed loads.

**Clark Energy Response by Todd Peyton** – Due to the large quantity of paper copy involved a CD will be included as part of the original filing in place of paper copies.

2. Has Clark Energy compared actual measured voltage and calculated voltage to determine the accuracy of the voltage drop studies?

**Clark Energy Response by Todd Peyton** – Clark Energy has prepared and included all information pertaining to measured and calculated voltages as part of this filing.

This transmittal letter and all supporting documents will be uploaded to the commission web site per the electronic filing procedures and guidelines as revised 05/02/06. A copy of the electronic filing confirmation will be attached to the required paper copy and delivered to the Commission.

Respectfully,

A handwritten signature in blue ink that reads "Todd Peyton".

Todd Peyton  
Manager of Engineering Services
