Re: *In the Matter of: Kentucky American Water Company's Request for Permission to Deviate from 807 KAR 5:066, Section 16(1), Case No. 2009-00253*

Dear Mr. Derouen:

At the December 2, 2010 Informal Conference in this matter, Commission Staff requested this firm's client, Kentucky American Water, to provide some information in follow-up to Commission Staff's prior information requests. The requests made at the informal conference were reduced to writing in Virginia Gregg's December 20, 2010 Informal Conference memorandum. As described in that memorandum, the agreed-upon deadline for responding to the follow-up information requests is January 30, 2011. Recently, I phoned Ms. Gregg to inquire about the possibility of an extension of that deadline. She indicated that an extension would be fine and suggested I send this letter to you rather than file a motion. Accordingly, I respectfully request that Kentucky American Water be given until February 28, 2011 to provide responses to the requests made at the December 2, 2010 informal conference. Please let me know if this is acceptable. Thank you for your attention to this matter.

Very truly yours,

Stoll Keenon Ogden PLLC
