O R D E R

On May 18, 2010, the Kentucky State Board on Electric Generation and Transmission Siting ("Siting Board") issued its Final Order in the above-styled case, granting ecoPower Generation-Hazard, LLC's ("ecoPower-Hazard") application for a certificate to construct a merchant 50 megawatt ("MW") biomass-fired electric generating facility and a 69 kilovolt ("kV") non-regulated transmission line in Perry County, Kentucky. More than 30 days have passed since the Final Order was served on ecoPower-Hazard, and no action has been filed by any party in Perry County Circuit Court to vacate or set aside the May 18, 2010 Final Order. Therefore, the May 18, 2010 Order is final and is not subject to any appeal.

Pursuant to 807 KAR 5:100, Section 5, the Siting Board must refund any amount of ecoPower-Hazard's filing fee which exceeds the amount expended by the Siting Board in its review of ecoPower-Hazard's application. Therefore, the Siting Board directs Staff to prepare an itemized list of expenses charged to the Siting Board Fund during its review of the ecoPower-Hazard application and to issue a refund of any

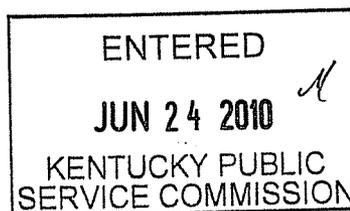

amount of the filing fee which exceeds the amount expended by the Siting Board during its review.

Wherefore the Siting Board HEREBY ORDERS that:

1. Siting Board Staff shall prepare an itemized list of expenses charged to the Siting Board Fund during its review of the ecoPower-Hazard application.

2. Siting Board Staff shall issue a refund to ecoPower-Hazard of any remaining Siting Board application fee paid by ecoPower-Hazard in support of its application in this matter, along with a true copy of the itemized expense list prepared by Siting Board Staff pursuant to paragraph 1 above.

By the Board
