MOTION FOR EXTENSION OF TIME TO RESPOND TO  
COMMISSION STAFF'S FIRST REQUEST FOR INFORMATION

\* \* \* \* \*

Comes Clark Energy Cooperative, Inc. ("Clark Energy"), by and through counsel, and moves the Kentucky Public Service Commission ("Commission") for an extension of fourteen (14) days to file its response to the Commission Staff's First Request for Information.

In support of this Motion, counsel for Clark Energy states that Todd Peyton, Manager of Engineering, will be the principal person responsible for supplying to the Public Service Commission the requested information. Mr. Peyton is extensively involved in the restoration of power due to recent storms in Clark Energy's service territory. Thus, it would be difficult for him to comply to the requests by March 19, 2012.

WHEREFORE, Clark Energy respectfully requests that its response be due not later than twenty-eight (28) days from the issuance of the Commission's Order dated March 5, 2012.

This 8<sup>th</sup> day of March, 2012.

Respectfully submitted,
