RE: West Carroll Water District
Case No. 2012-00433

Mr. Derouen,

This letter is in response to the commission staff report electronically filed to West Carroll Water on January 29, 2013. West Carroll Water District is requesting an extension of time to file a response to the staff report.

Reasons for the Extension of Time:

1. District staff will need sufficient time to review the staff report in order to make a recommendation to the District board to assist in their decisions.
2. The District's next board meeting is not until February 21, 2013, which is after the 14 day deadline of February 12, 2013.
3. The District staff requests a deadline of no later than February 28, 2013 for response to the staff report.

Thank you for your consideration in this matter and if you have any further questions please feel free to contact me at (502) 732-1216.

Sincerely,

Chastity Robbins
Director of Finance
West Carroll Water District
