**KENTUCKY-AMERICAN WATER COMPANY**  
**CASE NO. 2012-00520**  
**COMMISSION STAFF'S SECOND REQUEST FOR INFORMATION**

---

**Witness: Linda C. Bridwell**

109. Refer to Kentucky-American's Response to Commission Staffs First Request for Information, Item 3(a), W/P-3 at 175, "Base Year Adjustment Miscellaneous Expense." Kentucky-American includes in its miscellaneous expense forecast, "Charitb Don-H/Ed/En" of \$98,000 and "Charitb Don-Community" of \$52,250. For each donation included in this forecast, identify the organization or group to which the donation will be paid and an explanation as to why this donation should be recovered through rates.

**Response:**

Please refer to Exhibit 37, Schedule F-2.1, pages 3 and 4 for a listing of all charitable contributions, which includes each organization to be paid.

These two charitable donation accounts were inadvertently included in the Miscellaneous Expense adjustment. The amounts of \$98,000 and \$52,250 should not be included in the forecasted amount and their adjustments should be removed. The Company is not seeking recovery through rates on these charitable contributions. Therefore, \$150,250 should be removed from the forecast balance at July 31, 2014 in Miscellaneous Expense. This will be reflected in the Base Period update.

**Supplemental Response:**

In addition to the reduction of \$150,250, the Company also reflected in the Base Period update a reduction of \$62,000 to account 52556500 – Low Income Pay Prog.
