Case No. 2014-00149

Dear Mr. Derouen:

Northern Kentucky Water District submits its revised PDF file for the plans and specification submitted with this matter. After discussions with the staff, it was determined the original file was not searchable. This filing amends the original application. In accordance with the Commission's orders in this case, I certify that the electronically filed documents are a true representation of the original documents that have been submitted for filing. A copy of the electronic filing has been served on the Attorney General.

Very truly yours,

J
