Executive Director  
Public Service Commission

Case No. 2014-00150

Dear Mr. Derouen:

Northern Kentucky Water District submits a revised PDF text searchable version of the plans and specifications. After discussions with the Commission staff, it was discovered that the initial filing was not searchable. This revised file amends the original application.

In accordance with the Commission's orders in this case, I certify that the electronically filed documents are a true representation of the original documents that have been submitted for filing. A copy of the electronic filing has been served on the Attorney General.

Very truly yours,

John N. Hughes

Attorney for Northern Kentucky  
Water District

Cc: Attorney General
