Re: In the Matter of Application of Bellsouth Telecommunications, Inc. for Declaratory  
Order Regarding Interconnection with Central Kentucky Network for 911/E911 Services  
to Public Safety Answering Points, Case No. 2015-00227

Dear Mr. Derouen:

AT&T Kentucky hereby submits this cover letter for its electronic filing in this case and it serves as the required Read1st introductory electronic file for its enclosed Reply to the Responses to its Petition for Declaratory Order filed by Lexington-Fayette Urban County Government, Marion County, London-Laurel County Communications Center, Jessamine County Fiscal Court, Garrard County Fiscal Court, the Kentucky CMRS Board, and the Attorney General. Kit-Com and Cincinnati Bell Telephone Company filed motions to intervene but did not respond to the Petition. In accordance with 807 KAR 5:001, Section 8, by signing below I certify, on behalf of AT&T Kentucky, that the electronically filed document is a true representation of the original paper documents filed with the Commission. There are no materials being filed in the paper medium that are not also included in the electronic submission to the Commission. No party has been excused from participation by electronic filing.

Please contact me should you wish to discuss this matter.

Yours truly,

/s/ Robert C. Moore
