ATTORNEY GENERAL'S MOTION TO AMEND THE
MOTION TO RESCHEDULE HEARING SET FOR MAY 12th, 2016

Comes now, the Attorney General of the Commonwealth of Kentucky, by and through his Office of Rate Intervention, and hereby respectfully requests the Public Service Commission (Commission) to allow the Attorney General to amend the Attorney General's Motion to Reschedule Hearing Set for May 12th, 2016, so that the record is properly established.

On April 21, 2016, the Attorney General filed a Motion before the Commission requesting a rescheduling of the hearing currently set for May 12, 2016. In that motion, the Attorney General stated, "Additionally, both parties have made affirmative statements to the Attorney General that they do object to rescheduling the date of the hearing in order to allow the Attorney General to attend on one of the agreed-upon dates." This was a clerical error. The Attorney General has spoken to both the counsel for Water Service and the City of Clinton, and each counsel made affirmative statements that they do *not* object to rescheduling the hearing to one of the two dates proposed in the motion. Not only are both parties agreeable to rescheduling, one party also has a conflict on the current hearing date of May 12, 2016.

WHEREFORE, the Attorney General respectfully requests the Commission grant this Motion to Amend the Motion to Reschedule Hearing Set for May 12, 2016, so that the record adequately reflects the positions of the parties.
