2016-00059

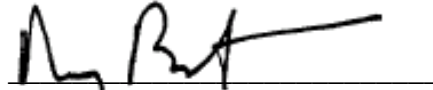

**MOTION FOR
FOR EXTENSION OF TIME**

Tempo Telecom, (“Company”) through counsel, for its Motion for an Extension of Time filed pursuant to 807 KAR 5:001, Section 10, requests an extension of time allowing the filing of these responses on May 5, 2016. Company is an ETC, but has not sought reimbursement from the Kentucky Universal Service Fund and believed initially that it was not a proper party to the case. However, because Company is eligible for KUSF reimbursements, it has determined it should participate. Accordingly, responses to initial data requests are filed herewith. Response testimony is not due until June 1, 2016, and filing on this date will not prejudice participation by any party or impede the Commission’s investigation.

WHEREFORE, Company respectfully requests that the Commission grant an extension of time for filing the responses.

Date: May 5, 2016

Respectfully submitted,
