MOTION FOR EXTENSION OF TIME

Hardin County Water District No. 2 (“Hardin No. 2”) hereby moves the Kentucky Public Service Commission (the “Commission”) for an extension of time through and until Monday, June 5, 2017, in which to file responses to the Commission Staff’s Second Request for Information.

The requested extension of time is necessary in order for Hardin No. 2 to provide complete and thorough responses to the Commission Staff’s Second Request for Information. Hardin No. 2’s General Manager was out of town on vacation when the Commission Staff’s Second Request for Information was issued and has had little time to review and respond to the information requested. Further, several questions in the Commission Staff’s Second Request for

Information request detailed descriptions and calculations, which will take additional time to develop.

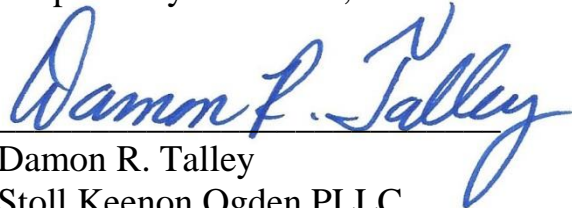

In addition, questions 4 and 5 of the Commission Staff's Second Request for Information are technical questions regarding statistical theory, analysis, and application. Hardin No. 2's staff and attorneys are researching these issues and are consulting with experts in this field to determine the most appropriate ANSI standard and methodology to evaluate the test results for low flow water usage.

There is no statutory deadline for the resolution of this matter and there are no intervenors. This Motion for Extension of Time is not made for the purpose of unduly delaying the Commission's examination and, if granted, will not prejudice the Commission's ability to conduct its examination.

WHEREFORE, Hardin No. 2 respectfully requests that the Commission issue an order granting an extension of time through and until Monday, June 5, 2017, to file responses to the Commission Staff's Second Request for Information.

Dated: May 19, 2017
