Re: Administrative Case No. 360

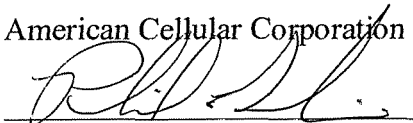

Dear Ms. O'Donnell:

The Commission's May 24, 2007 Order in this case directed eligible telecommunications carriers (ETC) in Kentucky to audit the continued eligibility of all Lifeline subscribers. Beginning in 2007, audit results are to be filed with the Commission by August 15, 2007. American Cellular Corporation (ACC) mailed notice to each of its Lifeline subscribers on July 18, 2007. Pursuant to federal law, Lifeline subscribers are to be provided with 60 days in which to verify their continued eligibility for Lifeline service. ACC will, therefore, update the results of its survey at the close of such 60 day time period.

The results of ACC's audit to date are provided below:

Company Name	SAC	State	Number of Customers		
			Surveyed or Verified	Found to be Ineligible	No Response to Survey
American Cellular Corporation	269905	KY	512	13	450

American Cellular Corporation
