AFFIDAVIT

STATE OF KENTUCKY

COUNTY OF MCCREARY

Before me, the undersigned authority, on this day, personally appeared David C. Crawford of Highland Telephone Cooperative, ("HTC"), who on his oath deposed and said:

1. My name is David C. Crawford. I am employed by HTC in the position of Access Service Manager. In this position, I am personally familiar with the Federal Universal Service support received by HTC and how these funds are used by the Cooperative.
2. HTC was designated as an eligible telecommunications carrier by the Kentucky Public Service Commission in Case No. 360 by order dated November 26, 1997.
3. HTC estimates that it will receive no high-cost support funds during the January 1, 2009 to December 2009 time period. Accordingly HTC is not submitting a plan for the use of high-cost support funds for 2009.
4. The Federal Universal Service Support funds HTC receives during 2009 will be used for the provision, maintenance and upgrading of facilities and services for which the support is intended, as designated by the Federal Communications Commission consistent with Section 254(e) of the Federal Telecommunications Act. These funds will be used to provide the following supported services, as outlined in 47 CFR§ 54.10(a), which are available to any customer in the HTC's service area: single-party voice grade access to the public switched network, unlimited local usage, dual-tone multi-frequency signaling or its functional equivalent, access to emergency services, access to interexchange service and access to directory assistance and toll limitation for qualify low income customers.
5. HTC follows Federal Communications Commission Part 32 accounting requirements for regulated local exchange carriers and Part 36 separations provisions used to determine high cost support amounts. As a regulated utility, HTC's accounting and separations procedures are subject to periodic National Exchange Carrier Associations and Kentucky Public Service Commission review.
6. The matters addressed above are within my personal knowledge and are true and correct.
