Casey County has been awarded federal funds under the Emergency Food and Shelter National Board Program. Casey County has been chosen to receive \$10,034 to supplement emergency food and shelter programs in the area. The selection was made by a National Board that is chaired by the Federal Emergency Management Agency (FEMA) and consists of representatives from the Salvation Army, American Red Cross, Council of Jewish Federations, Catholic Charities, USA, National Council of Churches of Christ in the USA and United Way of America which will provide the administrative staff and function as fiscal agent. The Board was charged to distribute funds appropriated by Congress to help expand the capacity of food and shelter programs in high-need areas around the country. A Local Board chaired by Judge/Executive Ronald Wright will determine how the funds awarded are to be distributed among the emergency food and shelter programs run by local service organizations in the area. The Local Board is responsible for recommending

agencies to receive these funds and any additional funds available under this phase of the program. Under the terms of the grant from the National Board, local governmental or private voluntary organizations chosen to receive funds must: 1) be non profit, 2) have an accounting system, 3) practice nondiscrimination, 4) have demonstrated the capability to deliver emergency food and/or shelter programs, and 5) if they are a private voluntary organization, they must have a voluntary board. Qualifying organizations are urged to apply. Casey County has distributed Emergency Food and Shelter funds previously with Lake Cumberland Community Services Organization participating. Further information on the program may be obtained by contacting Lake Cumberland Community Services Organization, P.O.
