**RE: *In the Matter of the Investigation Into the Membership of Louisville Gas and Electric Company and Kentucky Utilities Company in the Midwest Independent Transmission System Operator*
Case No. 2003-00266**

Dear Ms. O'Donnell:

Pursuant to my oral motion made during the hearing of this case on July 20, 2005, and granted by the Commission, I am writing to ask your office to remove from the public record the slide/page number 10 from LG&E/KU Cross Exhibit Seven. This document is a Commission map of the electrical transmission and generation facilities in Kentucky. The Companies understand this map is not generally available in the public record of the Commission due to homeland security concerns and therefore wish to request the Commission to withdraw the document from the public record.

Pursuant to the Commission's approval of this oral motion, please remove slide number 10 from LG&E/KU Cross Exhibit Seven which was introduced into the record of this proceeding during the hearing.

Should you have any questions or need any additional information, please contact me at your convenience.

Very truly yours,

Kendrick R. Riggs
