**Re: *In the Matter of: Ballard Rural Telephone Cooperative Corporation, Inc. v. Jackson Purchase Energy Corporation, Case No. 2004-00036***

Dear Ms. O'Donnell:

Enclosed for filing in the above-referenced case are the original and eleven (11) copies of Ballard Rural Telephone Cooperative Corporation, Inc.'s motion to (1) reject Jackson Purchase's BRTC Tariff and (2) to order Jackson Purchase to file a compliant tariff.

In addition, enclosed for filing in the above-referenced case are the original and four (4) copies of First Revised Sheet 2 of Ballard Rural Telephone Cooperative Corporation, Inc.'s Utility Service Attachments tariff which does not become effective until January 1, 2008. The enclosed First Revised Sheet 2 replaces the First Revised Sheet 2 filed on October 12, 2007, and reflects, as requested by Commission staff, that the tariff does not affect existing pole attachment agreements. Copies of this cover letter, the above-referenced motion, and the First Revised Sheet 2 have been served on Jackson Purchase Energy Corporation.

I have also enclosed additional copies of this cover letter, the motion and the First Revised Sheet 2 to be file-stamped. Please return the file-stamped copies in the enclosed self-addressed, postage pre-paid envelope.

Thank you for assistance. If you have any questions, please call me.

Very truly yours,

Holly C. Wallace

X. UTILITY SERVICE ATTACHMENTS (T)

X.1 Application of Tariff

This Tariff contains regulations and charges applicable to the provision of attachment space for cable television utility facilities, electric utility facilities or other telecommunication utility facilities on poles of the Ballard Rural Telephone Cooperative Corporation, Inc., hereinafter referred to as the “Company”. (T)

The terms and conditions contained herein apply where the C.A.T.V. operator, electric company operator or the other telecommunications company operator as a customer of the Company, proposes to install television, electrical, or telecommunication distribution cables, amplifiers, drop wires, wires, cable messenger anchors or other appurtenances and desires to attach such equipment to poles, anchors and/or ground wires of the Company. This Tariff does not apply to OPERATORs that have existing pole attachment agreements in effect with the Company as of the effective date of this Tariff. (T)

X.2 Definitions

Poles – All references to “poles” of the Company shall mean poles which are solely owned by the Company.

Pole Attachment – This is any attachment by a C.A.T.V. operator, an electric company operator or a telecommunications company operator to a Company Pole. (T)

Equipment – The equipment referred to herein consists of television, electrical, or telecommunication distribution cables, amplifiers, drop wires, wires, cable messengers, anchors and any other appurtenance used in the provision of C.A.T.V., electric or telecommunications service. (T)

OPERATOR – All references herein to OPERATOR shall mean any entity which provides C.A.T.V., electrical distribution or telecommunications service. (T)

C.A.T.V., Electric, or Telecommunications Service – Shall mean the transmission, by cable, of television signals, electrical service or telecommunication service within any exchange of the Company. (T)
