RE: Case No. 2004-00056  
Bracken County Water District

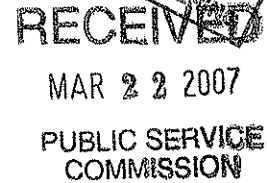

Ms. O'Donnell,

In regards to order number 9 in the above referenced case Bracken County Water District has obtained a rate increase since this order. We have filed our annual report with the Public Service Commission as required. I feel that submitting an income statement for this case number would not be clear since the rates have significantly changed due to a new project and rate increase.

I would be happy to submit the income statement for that period if you still need me to. Please let me know.

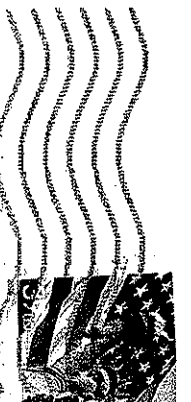

Sincerely,

*Diana Moran*
