RE: Case No. 2004-00058  
Alexander Properties Group, Inc.  
Legacy Farm Townhomes Apartment Complex  
Informal Conference

Dear J. R.:

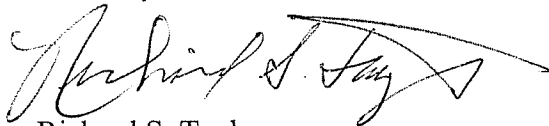

In the (4th) paragraph, you state that Mr. Andy Alexander was in charge of the operations and had completed the operator qualifications course. We do not agree with this statement. Mr. Andy Alexander stated that several members of his staff, including his brother Paul, had completed the operator qualifications course.

At the end of paragraph (5), you should add that Mr. Powell has also had a three year contract with Alexander Properties and has provided it with all gas requirements during that period of time.

Alexander Properties also thought the penalty for alleged violations of No. 3, 4, and 5 was \$10,000.00 for a total penalty of \$15,000.00 rather than \$20,000.00.

Please accept these as the comments of Alexander Properties to your memo of August 24, 2004.

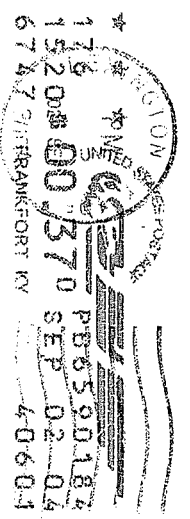

Sincerely,

Richard S. Taylor
