O R D E R

On April 10, 2006, AT&T Communications of the South Central States, LLC (“AT&T”), TCG Ohio, Inc. (“TCG Ohio”), and BellSouth Telecommunications, Inc. (“BellSouth”) submitted to the Commission their joint requests for approval of negotiated interconnection agreements. The agreements pertain to resale arrangements, network elements, local interconnection, collocation, access to numbers and number portability, access to operations support systems, and rights of way and pole attachment arrangements. These agreements were negotiated pursuant to the Telecommunications Act of 1996 and 47 U.S.C. §§ 251 and 252. They resolve all issues pending in this proceeding.

The Commission has reviewed the agreements and finds that no portion of the agreements discriminates against a telecommunications carrier not a party to the agreements. The Commission also finds that the implementation of these agreements is consistent with the public interest, convenience, and necessity.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS  
that:

1. The agreements between AT&T and BellSouth, and TCG Ohio and BellSouth are approved.
2. This proceeding is removed from the Commission's docket.

Done at Frankfort, Kentucky, this 17<sup>th</sup> day of May, 2006.

By the Commission
