Re: Gas Supply Clause - Case No. 2004-00271

Dear Ms. O'Donnell:

On July 29, 2004, LG&E filed revised gas tariff sheets in compliance with the Commission's Order in Case No. 2004-00271 dated July 23, 2004.

It has come to my attention, however, that a revised Table of Contents was inadvertently omitted from that filing. The Table of Contents adopted by LG&E on July 1, 2004, with the implementation of its tariff, P.S.C. of Ky. Gas No. 6, states the effective date of each rate schedule. Therefore, attached are an original and four copies of First Revision of Original Sheet No. 1 – Table of Contents, reflecting the effective date of the rate schedules revised to become effective August 1, 2004, as prescribed in the Commission's order referenced above.

Please contact me if you have any questions concerning this filing.

Respectfully,

Robert M. Conroy
