MOTION FOR EXTENSION OF TIME

Northern Kentucky Water District, by counsel, requests an extension of time to file its revised cross connection tariff. The Supreme Court issued an order denying discretionary review on March 16, 2011. Based on the final order in this matter, the District has 30 days to file a revised tariff. Because the District's board of commissioners does not meet until April 21, the District requests additional time until May 20, 2011 to file the tariff to allow the commissioners the opportunity to review and approve the revision.

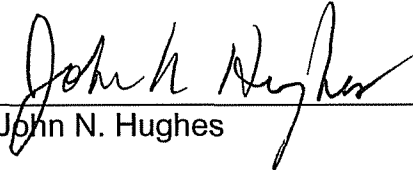

For this reason, the district requests until May 20, 2011 to file its tariff.
