Re: Case No. 2004-00364

Dear Ms. Tinnell:

In Case No. 2004-00364, the Commission approved Shadow Wood Waste Environmental, LLC's ("Shadow Waste") acquisition of the wastewater treatment facilities of Shadow Wood Subdivision Sewer Service.

On August 4, 2006, Commission Staff requested that Shadow Waste correct its Annual Report for the calendar year ending December 31, 2005 to properly reflect the transfer. On September 15, 2006, Commission Staff again requested that Shadow Waste correct the 2005 annual report and submit the corrected pages within 20 days. To date, Commission Staff has yet to receive the corrected pages. Shadow Waste has also failed to return Commission Staff's telephone messages regarding the annual report.

Commission Staff respectfully requests that Shadow Waste correct the 2005 annual report and submit the corrected pages within 10 days of the date of this letter. Failure to submit the requested information may subject the utility and its owners to possible administrative sanctions. Commission Staff stands ready to assist Shadow Waste with the corrections.

If Shadow Waste requires Commission Staff assistance or has any questions, please call Daniel Hinton of the Commission Staff at (502) 564-3940, Extension 276.

Sincerely,

Beth O'Donnell  
Executive Director
