Re: Kentucky Utilities Company's- Petition for Confidentiality received 3/31/08
PSC Case No. 2004-00426

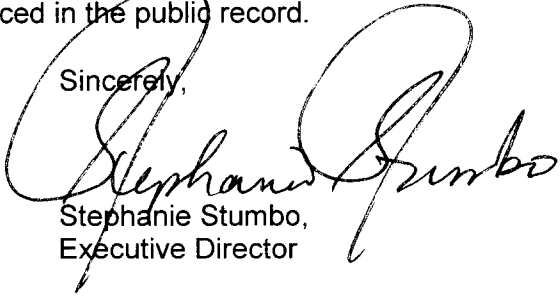

Sir/Madam:

The Public Service Commission has received Kentucky Utilities Company's Petition for confidential treatment requesting to protect as confidential certain information contained in the document titled "Update to the 2004 SO₂ Compliance Strategy for E.ON US Subsidiaries Kentucky Utilities and Louisville Gas and Electric". This information is described as containing projected fuel costs and other costs which should be granted confidential treatment.

Based upon a review of the information, I have determined that it is entitled to the protection requested on the grounds relied upon in the Petition and should be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, Kentucky Utilities Company is required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Stephanie Stumbo,
Executive Director
