Dear Public Service Commission

In The Matter of : The  
Application of Kentucky Utilities Company For Approval of  
New Tariffs Containing A Mechanism For The Pass Through  
of MISO-Related Revenues and Costs Not Already Included  
in Base Rates, Case No. 2004-00460

I am Kentucky Utilities  
Customer # 268242-010-1 and I plead with the  
Kentucky Service Commission to deny its request in the  
paragraph above. There are already (9) Nine rows on  
my bill in which Kentucky Utilities can obtain additional  
revenue at my expense and that's about enough for any  
utility, company, person etc. to have at their finger tips.  
I am on a fixed income and I have no means to  
obtain extra funds from my retirement or pension in order  
to obtain extra funds like Kentucky Utilities does and they  
should not have so many either. Please consider my request

Respectfully

Robert Lee Tudor
