RE: Columbia Gas's Motion for Confidential Treatment  
Case No. 2004-00462

Dear Mr. Seiple:

The Commission has received your petition filed November 30, 2007, to protect as confidential Columbia's Initial Hedging Report for the 2007-2008 heating season. A review of the information has determined that it is entitled to the protection requested on the grounds relied upon in the motion, and it will be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

A handwritten signature in black ink, appearing to read "Beth O'Donnell", written over a large, stylized scribble.
