Re: Case No. 2004-00496

I respectfully request that the above case number requesting a deviation from 807 KAR 5:026, Section 5 be withdrawn.

During our conference on March 8, 2005, I furnished information on our gas system including a map of our pipeline system. I enjoyed the visit and the opportunity to meet with the some of your staff.

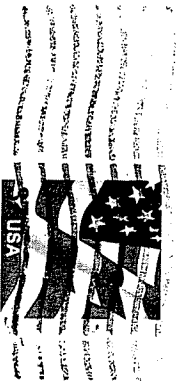

If you need any additional information in the future, please let me know.
