Re: **McCreary County Water District, Case No. 2005-00516**

Dear Ms. O'Donnell:

We have received the Commission Staff's Interrogatories and Requests for Production of Documents, dated March 4, 2005 relating to the above case.

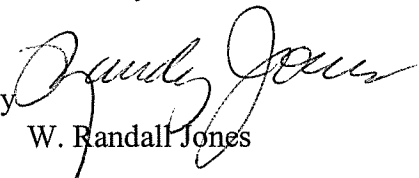

The District Engineer has contacted the Division of Water with reference to the Commission's request No. 1. The DOW is in the process of issuing the required letter, but as of this date, such letter has not been received.

Accordingly, we request that the Commission extend the deadline for filing the response to the Request until **April 18, 2005**. We are confident that the DOW letter will be received by that date and we will timely file our response with the Commission.

Thank you for your time and consideration and if you need any additional information, please let us know.

Sincerely,

Rubin & Hays
