Dear Ms. O'Donnell:

Kentucky Rural Water Association hosted three regional meetings during the month January, 2005. As required, KRWA has retained a record of all persons requesting commissioner training hours for these approved courses. The planned course of instruction, approved for two (2) credit hours by the commission, was performed as approved and scheduled. No written materials were provided to the attendees of these sessions.

Kentucky Rural Water Association would like to thank the Kentucky Public Service Commission and staff for your leadership and support in approving the training offered during our Regional Meetings.

Sincerely,

Phillip East
