Re: In the Matter of an Adjustment of the Gas Rates of The Union Light, Heat and Power Company
Case No. 2005-00042

Dear Ms. O'Donnell:

ULH&P respectfully requests a two-day extension of time to respond to items 143 through 220 of the Attorney General's first set of data requests.

The Attorney General notified me that these requests would be delayed by up to three days because their consultant who prepared these requests had a health problem. I agreed to the Attorney General's request for this additional time; however, I would like additional time to respond.

We received these requests electronically today, which is two days beyond the date the requests were scheduled to be filed under the Commission's March 21st procedural schedule. Accordingly, we would request a two-day extension of time until April 21st to respond to items 143 through 220 of the Attorney General's first set of data requests.

Thank you for your consideration. If you have any questions, please do not hesitate to contact me at (513) 287-3601.

Sincerely,

John J. Finnigan, Jr.
