PUBLIC SERVICE
COMMISSION

Subject: PSC CASE NO 2005-~~0004~~ 00044
Proposed Adjustment of the Wholesale Water Service Rates of the City of
Greensburg, Kentucky to Green-Taylor Water District.

To Whom It May Concern:

The Kentucky Public Service Commission issued an order in the above referenced case dated March 16, 2005 specifying various information requests to be submitted by the City of Greensburg (Appendix B) and a schedule of 05/06/2005 for such submittal. Greensburg was unable to meet the submittal schedule but is actively working on a response.

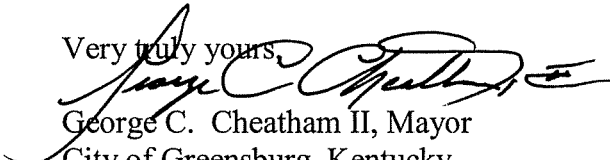

Part of the City's inability to meet the 05/06/2005 deadline stemmed from our involvement in negotiations with Green-Taylor Water District and our expectation of an agreement. A meeting was held between Greensburg and Green-Taylor Water District on March 25, 2005. No conclusion came from the meeting but the proposed wholesale rate was not rejected outright. Only in the last few days has the City come to understand that Green-Taylor has rejected the proposed wholesale rate and has fallen back to proceedings by the PSC.

A staff member has also retired and diminished our ability to response as quickly as we would like. Also much of the requested information is not readily available and will have to be generated.

As previously mentioned, we are working on the requested material found in Appendix B, but will need additional time. We are requesting an extension to at least June 8, 2005 for the submittal of this data.

If you would like further information regarding our efforts, please call me at my office.

Very truly yours,

George C. Cheatham II, Mayor
City of Greensburg, Kentucky

MAYOR GEORGE "LISLE" CHEATHAM, II
