Subject: Proposed Construction of Electric
Transmission Line (Docket number is
2005-00142).

Request that I be provided a map of
the specific locations (map) that the
transmission lines are to be installed.
I would like to know exactly where
the lines are proposed to be and
also the poles. The map that
I received from K&L does not indicate
the exact location on each property.

I would appreciate it if you would
provide the map of the areas
as soon as possible.

Sincerely,
Violet Monroe
