Case No. 2005-00148

Dear Beth:

Northern Kentucky Water District requests a meeting with the Staff on Thursday May 12. The purpose of the meeting is to discuss the issues to be included in the rate application that is expected to be filed within the next week or so. The District believes that this meeting will provide the Staff with information that will assist it in reviewing the application. A copy of this letter has been delivered to the Attorney General's Office of Rate Intervention.

If there are any questions about this, please contact me.

Very truly yours,

John N. Hughes

Attorney for Northern Kentucky
Water District
