REQUEST NO. 2: With regard to any such plans, state specifically whether the word “unlimited” refers to minutes of use, area(s) of calling, or both. If the word “unlimited” modifies any other term(s) in the applicable tariff(s), please identify the term(s) so modified.

RESPONSE: The term "unlimited" refers to domestic, direct-dialed minutes of use for voice, subject to the terms and conditions of the tariff.

REQUEST NO. 3: With regard to any such plans, state:

- a. whether the tariff indicates that a penalty of any type or sort (including relegating the customer to a different plan) may apply in the event the customer exceeds any limitation on number of minutes in the plan;

RESPONSE: The residential unlimited plan tariffs indicate that if the customer uses substantially more than average residential use, the Company may, after providing notice by telephone or letter, suspend, restrict, or cancel the unlimited service, or adjust the charges to another tariffed service offering (i.e., Plan F Service ([30 Minute Allotment])). The business unlimited plan tariffs do not set a limit on the number of voice minutes included in the plan.

- b. the nature of the penalty;

RESPONSE: For residential plans, *see* Response 3. a. For business plans, the tariffs specify that the plans can only be used for voice and that use of the service for non-voice applications entitles the company to suspend, restrict, cancel service or adjust charges to match the rates for one of the measured services listed in Section 3.7.5.C (Verizon Long Distance) or 3.10.3 (Verizon Enterprise Solutions), such as FirmRate Plus, FirmRate Advantage, or FlexDistance.

- c. whether the penalty has ever been imposed;

RESPONSE: No penalty has ever been imposed in Kentucky.

- d. whether notice of the penalty is provided to the consumer, and if so, identify precisely where in the tariff or other materials (including but not limited to contract, advertising or marketing materials) any such notice is located, and cite the complete language of any and all such notice(s).

RESPONSE: The companies do not market the unlimited plans in Kentucky. However, if the companies were to market the plans in Kentucky, they would provide customers with notice of the plan limitations in advertising, marketing and in the Welcome Package sent to the customer that confirm the customer’s order. *See, e.g.,* Verizon Long Distance KY Tariff No. 2, Section 3.6.9.C.

Conditions of service are set forth in the plan tariffs. See below.
