Responses to Commission and Attorney General Data Requests**

Questions

1) Does the utility offer a plan that is described, named, or marketed as "unlimited"? If yes, identify and describe the plan and provide copies of the tariff sheets on which the plans can be found.

Yes. Bell Atlantic Communications, Inc. d/b/a/ Verizon Long Distance (VLD) offers the following unlimited direct-dialed domestic calling plans - Plans K, N and Business Unlimited Long Distance Service. (See tariff sheets enclosed.)

NYNEX Long Distance Company d/b/a/ Verizon Enterprise Solutions (VES) offers the Business Unlimited Long Distance Service Plan. (See tariff sheets enclosed.)

2) If the utility has an "unlimited" plan, are there use restrictions or other limitations on the plan? If yes, describe these restrictions and reference the utility's tariff.

The tariffs set forth the restrictions and limitations of these plans and we refer the Commission to the tariffs for a complete view of the terms and conditions of these plans.

Generally speaking, all of the unlimited plans specify what class of customer qualifies to purchase the plan (e.g., business with fewer than 25 dial tone lines or residential customer) and what type of local service the customer must subscribe to in order to purchase the unlimited direct-dialed long distance plan. All of the unlimited long distance plans specify that the unlimited service is intended for voice use only and not for data. The tariffs also provide information on the types of use that are not appropriate (e.g., autodialing). In addition, Plans N and K state that usage substantially above average for customers on the respective plans will disqualify the customer from the plans.

Tariff references:

VLD Plan K -- KY PSC Tariff No. 2, Section 3.6.9

VLD Plan N – KY PSC Tariff No. 2, Section 3.6.11

VLD Business Unlimited Long Distance Plan – KY PSC Tariff No. 2, Section 3.7.5

VES Business Unlimited Long Distance Plan -- KY PSC Tariff No 3, Section 3.10

3) How and when are customers or potential customers notified of the limitations on the unlimited plan? Describe the notification.

None of the unlimited plans is currently marketed in Kentucky. However, in other states where VLD and VES proactively market the unlimited plans, customers and potential customers are notified of limitations in marketing materials as well as during the ordering

process. All customers are sent welcome materials after an order has been processed that describe the limitations of the unlimited plan. In addition, if the company determines that a customer no longer qualifies for a plan, the company will remind the customer of the plan limitations before the Company suspends, restricts, or cancels the Customer's service, or otherwise changes the customer to another calling plan.

A typical Plan K welcome letter would, for example, contain the following type of language:

"Verizon Freedom Plan is for residential customers. If you have substantially more than average residential use, Verizon Long Distance will regard this as non-residential use and, after notifying you, Verizon Long Distance will change your plan to the Verizon Long Distance TalkTime 30 Plan. Average residential use will be determined by Verizon Long Distance based on the average minutes of long distance usage of the Verizon Freedom Plan by residential customers. Average residential use will exclude use for non-residential purposes."

- 4) If third parties (agents, telemarketers, consignees, etc.) market, advertise, or otherwise offer end-users the utility's unlimited plan, explain how those "marketers" are required to verify compliance with the notice requirements.

To date, VLD and VES have not marketed or advertised the unlimited plans in Kentucky. If at some point the companies decide to market the unlimited plans through third party agents, we will specify what marketing materials they may use and ensure that appropriate disclaimers are included in those marketing materials. Our third party marketers are contractually bound to use only the marketing and advertising materials that we approve.

- 5) Assuming a customer has subscribed to an "unlimited" plan that has use limitations, is the customer notified when the limitations are exceeded? If yes, how is the customer notified?

If a customer violates the plan terms and conditions, the company will notify the customer either by telephone or by letter.

- 6) How and when are customers notified that changes have been made to the plan?

If there is a change to the plan, the customer will get prior written notice, typically by bill message or letter.

- 7) Are customers able to check the number of minutes they have used in order to determine if they will exceed the plan's limitations?

No.

- 8) Explain why the utility markets, names, or describes a plan as "unlimited" when limits on the plan exist.

For customers who comply with the plan terms and conditions, all domestic, direct dialed long distance calling is covered under the monthly plan price and the service is therefore an unlimited service for that customer. However, in order to safeguard the company from abuse, we place limitations on the service. We will not disqualify a customer from our unlimited plans without prior notice.

- 9) Explain how the utility ensures that the unlimited plan is offered and the rates, terms and conditions of service are applied without discrimination as required by KRS 278.170(1).

Ethical sales practices training is conducted throughout all our channels. Call monitoring at our sales centers ensure sales practices are met.

- 10) Provide summary records of all complaints received by the utility regarding any unlimited plans offered in Kentucky since January 1, 2001. Include the date that the complaint was opened, customer class, description of complaint, description of complaint resolution, and date that the complaint was closed.

There have been no complaints to date.

Attorney General's Office Data Requests

- 1) Provide copies of all advertisements, regardless of medium, solicitations, and explanations provided to the public to introduce, explain and/or market any plan labeled or otherwise described as "unlimited." In the event that the medium used is audio or video in nature, a transcript of same is deemed sufficient.

We do not currently market any of unlimited plans in Kentucky. Accordingly, we do not have any sample Kentucky advertisements.

- 2) Provide a copy of any and all contracts signed by customers who have participated or are participating in a plan labeled or otherwise described as "unlimited." This request seeks only a copy of the blank contract(s), not the executed contract for every customer.

There are no contracts with Kentucky customers for our unlimited services.
