Dear Sir or Madam:

This letter is submitted on behalf of Network Communications International Corp. ("NCIC") in response to the data requests included in the Commission's order issued June 22, 2005.

NCIC does not offer or market any tariffed services labeled or otherwise described as "unlimited" as set forth in the order. NCIC is an operator services provider and does not have presubscribed customers.

In addition, should the Commission grant the petition filed by the Attorney General in this proceeding, this letter also constitutes NCIC's response to the Attorney General's data requests. NCIC does not plan to participate further in this proceeding unless so ordered by the Commission.

Please acknowledge receipt of this filing by date-stamping the extra copy of this cover letter, and returning it to me in the self-addressed, stamped envelope provided for that purpose.

Any questions you may have regarding this filing may be directed to my attention at (407) 740-3004 or rnorton@tminc.com.

Sincerely,

Robin Norton
Consultant to NCIC
