Dear Sir or Madam:

The original and four (4) copies of this letter are submitted on behalf of Unity Communications, Inc. ("Unity") in response to the data requests included in the Commission's order issued June 22, 2005.

Unity does not currently offer or market any services labeled or otherwise described as "unlimited" as set forth in the order. Several such services were included in Unity's local exchange tariff, but as there are no customers subscribing to these services, tariff revisions have been submitted to delete these plans.

As the Commission has granted the petition filed by the Attorney General in this proceeding, this letter also constitutes Unity's response to the Attorney General's data requests. Unity does not plan to participate further in this proceeding unless so ordered by the Commission.

Please acknowledge receipt of this filing by date-stamping the extra copy of this cover letter, and returning it to me in the self-addressed, stamped envelope provided for that purpose.

Any questions you may have regarding this filing may be directed to my attention at (407) 740-3004 or [rnorton@tminc.com](mailto:rnorton@tminc.com).

Sincerely,

Robin Norton  
Consultant to Unity
