RE: Case No. 2005-00187
Cumberland Valley Electric, Inc.

Dear Ms. O'Donnell

Cumberland Valley Electric, Inc. is requesting an extension of time for the filing of its responses to the PSC Staff's Request No. 2 and the Attorney General's Initial Data Request. Cumberland Valley is requesting for an extension until September 30 for filing its response to these two data requests. Cumberland Valley needs this extension because of the large amount of data requested as well as the comprehensive analyses required to properly respond. Additionally, Cumberland Valley operates with a minimum number of full time staff and needs the additional time to respond in a proper manner.

If you have questions on this matter or need any additional information, please contact me at your convenience.

Sincerely,

Ted Hampton
Manager
