RE: Poplar Ridge Road, Four Mile Pike, & Nelson Road
12" Water Main Replacement Project

Dear Mr. Harrison,

We have reviewed the bids received May 3, 2005, for the 12" Water Main Replacement Project on Poplar Ridge Road, Four Mile Pike and Nelson Road, Alexandria, KY. The breakdown of the bids has been provided to your staff and to the contractors.

• Design

The low bidder was R. E. Huber Construction with a bid of \$1,100,290.75, well under our estimate of \$1,654,295.00 and \$293,863.75 less than the second lowest bid received. All the bidders were under our estimate dated 4/14/05.

R. E. Huber Construction has been a contractor for the NKWD in the past. Therefore, it is our recommendation that the contract should be awarded to them for \$1,100,290.75.

Hopefully, this recommendation is sufficient for your Commission to make a decision.
