Re: Case No. 2005-00205

Dear Mr. Talley and Ms. Gary:

On May 23, 2005, Muhlenberg County Water District submitted a notice of intent to file a rate application on or about June 23, 2005. At that time the notice was placed on the Commission's docket. As of today the Commission has not received Muhlenberg's application. If the application is not filed on or before December 5, 2005, the Commission will dismiss the notice and remove the case from its docket. This action will not preclude Muhlenberg from filing an application in the future but will require Muhlenberg to renote the Commission of its intention to do so as required by 807 KAR 5:001, Section 10(2).

Sincerely,

A large, stylized handwritten signature in black ink, appearing to read "Elizabeth O'Donnell".
