Dear Mr. O'Donnell PSC 2005002-207

I am a land owner and am against

The application shown submitted by EKP

power line. There would be dangerous

structures close to the underground

lines in my area.

Dear Mr. Elizabeth O'Donnell

I am a registered nurse & I have

alot of Concerns by this with the electrical

lines running thru your land. The objects

by the magnetic field that this has on

child life, your animals & also humans.

I have been researching - possibilities

by buying electrical to their Reckless!

Worse misadventure, so I hope this happens

to people it will be the same you

(PSC 2005-00207) animals Thanks Jung Steenbergen
