RE: PSC Case No. 2005-00207  
East Kentucky Power Cooperative

Dear Mr. Wright:

As County Judge/Executive, I have been contacted by several citizens in Barren County concerning the above case and have been requested to forward this letter to you.

These citizens are concerned about the proposed construction sites for the transmission lines involved in this project. They are troubled that the proposed route will affect prime farmland for dairy and beef and historic streams containing endangered species.

They are respectfully requesting consideration of an alternate route through Barren County for this project. They are making plans to attend the August 30, 2005, public hearing scheduled in Bowling Green to voice their concerns.

I would appreciate your consideration of their request and trust a satisfactory agreement can be reached between the parties.

Thank you for your attention to this letter.

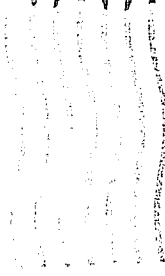

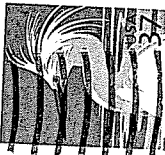

Very sincerely yours,

Davie D. Greer  
Barren County Judge/Executive
