**MOTION OF BIG RIVERS ELECTRIC CORPORATION
FOR FULL INTERVENTION**

Big Rivers Electric Corporation ("Big Rivers"), moves that it be granted full intervention in this proceeding, including all rights of a party under the statutes and regulations of the Public Service Commission ("Commission"). In support of its motion, Big Rivers states, through counsel, that Segment 4 of the proposed East Kentucky Power Cooperative, Inc. ("EKP") project terminates at Big Rivers' Wilson generating station where it interconnects with Big Rivers' high voltage transmission system. Big Rivers accordingly has a special interest in this proceeding which is not otherwise adequately or fully represented by a party. Big Rivers' participation in this proceeding will develop facts that will assist the Commission in fully considering this matter without unduly complicating or disrupting the proceedings.

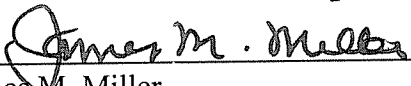

If the Commission grants this motion to intervene, copies of pleadings, correspondence, and all other documents submitted by parties should be served upon the following persons, as indicated:

James M. Miller
Tyson Kamuf

Wherefore, Big Rivers respectfully prays that the Commission enter an order granting it full intervention as set out above, and for all other relief to which it may appear entitled.

This the 26th day of July, 2005.
