Dear Mr. O'Donnell

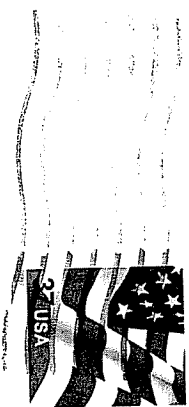

I am 68 years old and was born and raised on this Farm my whole life. I have highway frontage on Highway 70 west of Glasgow. My plan was to retire and develop my land to get the top dollars and hope have good estate for my two boys and there family. This power line will ~~be~~ ruin the value of my property to help Warren County and lot of good land in Warren County will suffer. Any help you can give all of us in Warren County will be appreciated.
