Dear Ms. Speed,

In response to your letter of August 8, 2005, to the Commission, I am sending you a map of the route of the proposed transmission line. Your property is parcel #209 on Map 10-8 of Case 2005-00207, Application of East Kentucky Power Cooperative, Inc., for a Certificate of Public Convenience and Necessity for the Construction of a 161 kV Electric Transmission Line in Barren, Warren, Butler, and Ohio Counties, KY. I have enclosed a CD with pdf files of Exhibit 10, which was part of EKPC's application to the Commission.

Please abide by the following use constraints for the PDF files: *"The user should understand that since September 11, 2001, location data of critical utility structures is considered sensitive information for security reasons. Users shall not publish this map or any part of it on the World Wide Web. Users shall not redistribute this map to others, but shall refer requests by others for such information to the Kentucky Public Service Commission."*

If you have any difficulty using the PDF file, please contact me at rarowles@ky.gov or (502) 564-3940. A paper copy of each pdf file is \$6 plus postage.

Sincerely,

A handwritten signature in cursive script that reads "Ruth A. Rowles".
