RE: Walter Callihan vs. Grayson Rural Electric Cooperative Corporation  
Case No. 2005-00280

Dear Mr. Wuetcher:

I represent Grayson Rural Electric in the above-referenced action. The order setting this matter for hearing on November 4 refers to the Callihans' complaint as alleging (1) unlawful termination of electric service; and (2) unlawful refusal to accept payment of the alleged indebtedness. The allegation of unlawfully terminating electric service has already been decided by the Commission in an earlier case. I wondered if the Commission would undertake a request to limit this hearing to the allegation of unlawfully refusing to accept payment since the allegation of unlawful termination has already long since been decided back in 2003. I look forward to hearing from you regarding this. Thank you.

Yours truly,

  
W. Jeffrey Scott
