RE: Case No 2005-00336  
Filing Deficiencies

The Commission staff has reviewed your application in the above case. This filing is rejected pursuant to 807 KAR 5:001, Section 2, for the reasons set forth below. These items are either required to be filed with the application or to be referenced in the application if they are already on file in another case.

1. Filing deficiencies pursuant to 807 KAR 5:001:

807 KAR 5:001: Section 11(1)(c) Statement of how proceeds are to be used. Should show amounts for each type of use (i.e., property, debt refunding, etc.)

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may refile your proposed tariff with a new proposed effective date that is at least 30 days from the date you file the required information. You are requested to file 10 copies of this information within 15 days of this letter. If you need further assistance, please contact Jeff Shaw at 502/564-3940 ext. 237.

Sincerely,

A handwritten signature in black ink that reads "Mike Burford".

Mike Burford  
Director Division of Filings
