Case No. 2005-00341  
Attorney General's Motion for Confidential Treatment

Dear Ms. Blackford:

The Commission has received the motion filed January 27, 2006, on behalf of the Attorney General's Office to protect as confidential the compiled analysts forecasts data provided by J. Randall Woolridge in response to Question 86 of Kentucky Power's Request for Information to the Attorney General. A review of the information has determined that it is entitled to the protection requested on the grounds relied upon in the motion, and it will be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

A handwritten signature in black ink, appearing to read "Beth O'Donnell", written over a circular scribble.
