3. Statement of water purchases. Where water is purchased from more than one supplier, purchases from each supplier must be shown separately. If water is purchased through a declining block rate schedule, purchases for each month must be shown. Attach an additional sheet if necessary.

4. Total sales for the 12-month period: 36,584,800

Revised tariff sheets must be attached showing the rate to be charged by the utility and the effective date of the increased rates.
