**CASE NO. 2005-00352**

**MOTION FOR LEAVE TO FILE AN AMENDED APPLICATION**

Pursuant to 807 KAR 5:001, Section 3(5), Louisville Gas and Electric Company (“LG&E”) hereby moves the Kentucky Public Service Commission (“Commission”) to issue an order granting leave to amend paragraph number 3 in its Application. As grounds for its motion, LG&E states as follows:

On September 30, 2005, LG&E filed an Application with the Commission for authority to withdraw from service its Value Delivery Surcredit Rider tariff for electric service and its Value Delivery Surcredit Rider tariff for gas service following the expiration of the sixty month period ending March 31, 2006. LG&E subsequently determined that the reference in paragraph number 3 to the Application did not reflect the most recent Articles of Incorporation on file with the Commission. A certified copy of LG&E’s *current* Articles of Incorporation are on file with the Commission in Case No. 2005-00471, *In the Matter of: Application of Louisville Gas and Electric Company and Kentucky Utilities Company for Authority to Transfer Functional Control of their Transmission System*, filed on November 18, 2005.

**WHEREFORE**, Louisville Gas and Electric Company respectfully requests the Commission to enter an order granting leave to amend its Application as set forth herein. The Amended Application is tendered with this motion.

Dated: November 23, 2005.

Respectfully submitted,
